2. MANAGEMENT DISCUSSION AND ANALYSIS REPORT/ OPERATIONS REPORTS OF COMPANY'S PERFORMANCE:

2.1 OPERATIONS

(A) EXPLOSIVES DIVISION

The sale of Explosives for the year under review was 34,026 MT valued at ₹ 12,676 lacs as against 35,183 MT valued at ₹ 12,109 lacs of the previous year. The Sales turnover on Explosives increased by 5% in value terms and decreased by 3.29% in quantity terms. During the year, the turnover in regard to traded goods, service contracts and export of finished goods in Explosives sector was ₹ 1,329 lacs as against ₹ 2,552 lacs for the corresponding period of the previous year, significantly lower since there were no new projects during the year under review.

The sale of Detonating Fuse and related products during the year under review was valued at ₹ 733 lacs as against ₹ 678 lacs for the corresponding period of the previous year.

(B) PERLITE DIVISION

The sale of Perlite and Perlite based products for the year under review were 7856 MT valued at ₹ 1,267 lacs as against 5,980 MT valued at ₹ 935 lacs for the corresponding period of the previous year, registering a growth of 31% in quantity and 36% in value. The turnover of service contracts during the year under review was ₹ 514 lacs as against ₹ 678 lacs for the corresponding period of the previous year.

The export of Perlite products during the year was valued at ₹ 413 lacs as against nil for the corresponding period of the previous year.

- (C) The operations for the year 2013-14 have resulted in a net profit of ₹ 595 lacs after charging depreciation, interest and tax as against ₹ 431 lacs for the corresponding period of the previous year.

3. INDUSTRY REVIEW, THREATS, RISKS AND CONCERNS:

(A) EXPLOSIVES DIVISION

The Explosives Sector did not register any significant increase due to lack of orders. The major consumers like Coal India have finalized Contracts for three years period and there were no new opportunities. There was no significant increase in the demand in these sectors. However, in the fourth quarter, some increased demand and improved realization was experienced due to non-availability of Ammonium Nitrate from the market and due to regulatory provisions of the Ammonium Nitrate Rules 2012 which came into force from January 2014.

In regard to D Fuse and related products, the demand was consistent and the licensed capacity utilization was achieved.

During the last Quarter of the year under review, the Company commissioned the modern Emulsion Explosives manufacturing facilities at its Garamsur Plant near Nagpur in Maharashtra. The Company will cater to the requirements of Dealer Market segment from this Unit.

(B) PERLITE DIVISION

The domestic manufacture of Expanded Perlite and Perlite Concrete Blocks yielded a significant revenue, during the year under review. In addition, the company was able to successfully complete site insulation of tanks in LNG Regassification Terminal in China.

(C) INDUSTRIAL RELATIONS

The industrial relations during the year under review were cordial and there were no industrial disputes. Long term wage Settlements were concluded with the Unions cordially.

(D) OUTLOOK FOR 2014-15

During the current financial year 2014-15, on account of stiff competition coupled with stagnation, the Explosives Division continues to be under pressure. The Explosives Accessories Divisions are showing encouraging performance. The Company is geared up to enter new segment of business of Emulsion Explosives, which will contribute to the top line. The Company has secured orders for Perlite based Insulation products during the current year 2014-15.

Your Company will continue to make all efforts for optimizing the overall performance.

(E) CAUTIONARY STATEMENT

The statements, expressions, information given in this Management Discussions and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be deemed to be as "forward looking statements". Actual results might substantially or materially from those expressed or implied. Important developments that could affect the Company's operations included demand supply conditions, changes in Government, global economic scenario and such other developments different from Company's comprehension.

INDEPENDENT AUDITORS' REPORT**To the Members of Keltech Energies Limited****Report on the Financial Statements**

We have audited the accompanying financial statements of Keltech Energies Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act, we give in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Section 227(3) of the Act, we report that:

KELTECH ENERGIES LIMITED

- a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c. the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d. in our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the accounting standards referred to in sub-section (3C) of Section 211 of the Act;
- e. on the basis of written representations received from the directors as on March 31, 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act.

Notes to financial statements for the year ended 31st March, 2014

I Significant Accounting Policies :

i) Basis of Preparation:-

The Financial Statements have been prepared to comply with all material respects with the Accounting Standards notified by Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and except for the changes, if any, in accounting policy discussed below, are consistent with those used in the previous year.

ii) Use of Estimates:-

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

iii) Revenue Recognition:-

Revenue is generally recognised on accrual basis. Revenue from Site Contracts is accounted for on the basis of reaching relevant milestones.

iv) Fixed Assets and Depreciation:-

- a) Fixed Assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready for use.
- b) Depreciation on Fixed Assets, except leasehold land and Furniture & Fixtures of leased premises has been provided for on straight line method as prescribed by Schedule XIV of the Companies Act, 1956. For additions and deletions made during the year, depreciation is provided on pro-rata basis.
- c) 100% depreciation is provided for on all assets each costing ₹ 5000/- or less.
- d) Value of lease hold land is amortized over the lease period.
- e) Furniture & Fixtures of leased premises are depreciated over the period of lease or Schedule XIV rates of the Companies Act, 1956, whichever are higher.
- f) Impairment of Assets:- The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the Balance Sheet date, there is any evaluation that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

v) Capital Work-in-Progress:-

These are stated at cost to date relating to items or project in progress, incurred during construction / pre-operative period.

vi) Leases:-

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Notes to financial statements for the year ended 31st March, 2014

vii) Investments:-

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

viii) Inventory:-

Raw materials, Stock-in-transit, Packing materials, Stores and spares have been valued at cost, arrived on weighted average method. Traded goods and Finished goods have been valued at lower of cost and net realisable value. Cost of finished goods includes direct material, excise duty, freight & forwarding and apportionment of manufacturing overheads based on normal operating capacity, and is determined on a weighted average basis.

ix) Borrowing Costs:-

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

x) Foreign Exchange Transactions:-

Transactions in foreign currencies are accounted for at the exchange rate prevailing on the date of transaction. Gains and Losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss. In case of forward contracts (non speculative), the exchange difference are dealt with in the statement of profit and loss over the period of contracts.

xi) Retirement and other Employee Benefits:-

- a) Retirement benefits in the form of Provident Fund and Superannuation Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.
- b) Gratuity and Leave Encashment liability is defined benefit obligations and are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method.
- c) Actuarial gains / losses are immediately taken to Statement of Profit and Loss and are not deferred.

xii) Income Tax :-

Tax expense comprises of current and deferred tax. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred Income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax assets and liabilities are determined based on the difference between the financial statements and tax bases of assets and liabilities, as measured by the enacted / substantively enacted tax rates. Deferred tax Expense / Income is the result of changes in the net deferred tax assets and liabilities.

KELTECH ENERGIES LIMITED

Notes to financial statements for the year ended 31st March, 2014

Deferred tax assets are recognised only if there is a virtual certainty backed by convincing evidence of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and are appropriately adjusted to reflect the amount that is reasonably or virtually certain to be realised.

xiii) Segment Reporting:-

- a) The Company's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.
- b) Common allocable costs are allocated to each segment in proportion of respective segment to total revenue of the company.
- c) The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

xiv) Earning per Share:-

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xv) Provisions:-

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

xvi) Contingent Liabilities:-

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability, but discloses its existence in the financial statements.

xvii) Cash and Cash Equivalents:-

Cash and Cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
